

Oren Harman (Science Technology and Society, Bar Ilan University), Evolution as Myth: A
Literary Adventure

Monday, 24/11/2014, at 18:00 PM

Gilman Building, Hall 449

Chair: Yossi Schwartz

The Latin thinker Sallustius said of myths: 'these things are never and are always', and all construct their mythologies using the language of their age. In this talk, Oren Harman cultures ongoing literary project in which he uses the early evolution of life on earth to construct a modern day mythology.
